"Rooted in Christ"

October 2025 Newsletter

© REBECCA BROGAN | JTBARTS.COM

Being "rooted in Christ" means establishing your entire life's foundation on Jesus, which brings stability, strength, and spiritual growth.

This involves:

- living in Christ,
- drawing spiritual nourishment from Him,
- being continuously taught and built up in your faith,
- and cultivating a thankful heart.

Like a deep-rooted tree, a life rooted in Christ can withstand challenges, remain secure, and bear spiritual fruit.

Dear Trinity Family,

Someone once joked that Wisconsin really has only two seasons: winter and road construction. That always makes me smile because, in some ways, it feels true. But as I look around these days, I can clearly see that the season has truly changed. The long, hot days of summer are now behind us. The cooler breezes of fall remind us that winter is coming soon. The green leaves are turning into bright reds, oranges, and yellows, and the evenings are growing longer and colder. Seasons change, and

they remind us of the words from Ecclesiastes: *"For everything there is a season, and a time for every matter under heaven"* (Ecclesiastes 3:1).

October brings with it special reminders for us as a church. First, October is known as Pastor Appreciation Month. I want to take this moment to thank each of you for your love, prayers, and encouragement, not only for me but for all who serve the Lord in ministry. Your kindness is a blessing. October also ends with the celebration of Protestant Reformation Day on October 31, which reminds us of that great movement in the 16th century that called the Church back to the central truth of God's Word and salvation by grace through faith.

This month also allows us to reflect on the discipleship journey we have been taking together. In September, we began our sermon series *"The Journey of Discipleship: From Surrender to Eternity."* On the first Sunday, we heard the strong words of Jesus about what it means to follow Him: that the call of discipleship is total surrender. Then we learned that the mission of discipleship is to seek the lost, and that the stewardship of discipleship is faithful living. Each message has reminded us that following Jesus is not just about membership in the church but about living daily as His disciples. We will complete this series on Sunday, October 5, with the final sermon: *"The Warning of Discipleship is to Live Ready for Eternity"* based on Luke 16:19-31. Don't miss this important conclusion!

Looking ahead, I am excited to share about two new opportunities starting in November. First, our Adult Sunday School will resume on November 16, every Sunday morning from 7:30 to 8:25 a.m. We will study *"Membership to Discipleship,"* which will help us grow in our understanding of what it means to be not just members of Trinity, but true disciples of Christ. A sign-up sheet is already in the Connection Room. Second, our Confirmation Classes will begin in November. The specific start date will be shared after my meeting with the confirmands and their parents. I ask that you keep our young people in your prayers as they prepare for this important step in their faith journey.

I'm also delighted to share that at our September staff meeting; we planned two Christmas Eve services to help us celebrate the birth of our Savior. At 4:30 PM, we'll have a blended traditional/contemporary service with music from the choir and Praise Band, and the Trinity Band providing the prelude and postlude. At 6:00 PM, we'll offer a softer, reflective service with carols and Holy Communion, accompanied by the Bell Choir. Mark your calendars—it will be a holy and joyful night!

As we move through October, here are the Scriptures and sermon titles we will be reflecting on together:

October 5 – Luke 16:19-31: *"The Warning of Discipleship is to Live Ready for Eternity"*

October 12 – Luke 17:11-19: *"When the Heart Has Leprosy"*

October 19 – Luke 18:1-8: *"The Power of Persistent Prayer"*

October 26 – Luke 18:9-14: *"The Danger of Self-Righteousness"*

Life itself is filled with changes, seasons change, the years turn, and so do we. But one thing is always the same: God's faithfulness. As Hebrews 13:8 reminds us, *"Jesus Christ is the same yesterday and today and forever."* May this truth give us peace and hope as we step into this new month together.

Yours in Christ,

Rev. Mulongo Mpoyo

Stewardship and Finance Offering

Hello again Church Family,

This month we are going to look at the first of five questions on Giving to God from the 'New Living Translation – New Believer's Bible'.

STEWARDSHIP

Why should you give a portion of your financial resources to God? The answer: God wants to prove his faithfulness through your regular giving, or tithes. Let's look at Malachi 3:8-11 – ⁸ *"Should people cheat God? Yet you have cheated me! But you ask, "What do you mean? When did we ever cheat you? You have cheated me of the tithes and offerings due to me."* ⁹ *You are under a curse, for your whole nation has been cheating me.* ¹⁰ *Bring all the tithes into the storehouse so there will be enough food in my Temple. If you do,"* says the Lord Almighty, *"I will open the windows of heaven for you. I will pour out a blessing so great you won't have enough room to take it in! Try it! Let me prove it to you!"* ¹¹ *Your crops will be abundant, for I will guard them from insects and disease. Your grapes will not fall from the vine before they are ripe"* says the Lord Almighty. Here we find the only instance in the Bible where God actually challenges us to test him. And the challenge involves the giving of our financial resources.

Tithing has a long History. The word tithe actually means "one-tenth". In the Old Testament, Abraham presented a tithe to the priest-king of Jerusalem, Melchizedek (see Genesis 14:18-20). Jacob also pledged to offer God a tithe of all his possessions upon his safe return home (see Genesis 28:22). In the New Testament, Jesus mentioned it as well, though he warned that strict tithing must accompany concern for more important demands of the law - namely those which dealt with just and merciful giving (see Matthew 23:23, and Luke 11:42).

Tithing strengthens the Church. The "tithe" was for the "House of the Lord". For Old Testament believers, this meant the financial support of the Temple and the priests. In the New Testament, this meant the support of the church. As Christians, it is vitally important that we become an active part of the local body of believers. As part of that body, we should support the ministry of our church on a regular basis with our tithes and offerings.

Tithing brings God's blessings. This brings us to God's personal challenge. If we are faithful to keep our priorities in order, God promises to "open the windows of heaven" for us and provide for our needs. This does not mean that God will provide everything we want. God only promises, to provide for our needs, not our *greed's*. God is not asking us to give because he needs our resources. The whole world is at his disposal. In essence, he is challenging us to make him the focus of our lives, rather than our money or possessions. He does not want us to "give to get" but to give because we have received. When we express our love to God by giving our resources, he promises to tangibly display his faithfulness to us in return. NLT-NBB more important than earthly life. He may test you, but he will never fail you.

Now that I have provided with you the teaching, I would like to share with you how God has worked in my life and my family's life in this matter. My wife and I had our own reservations about giving a whole tithe many years ago. At first it can seem like a lot to give up from your personal financial budget. The doubts are there...will we be able to afford giving up a tenth of our earnings? How do we survive month to month? Will God really come through and provide for us? All these same types of questions that any person would have was running through our minds. In the end we felt it was the right thing to do, that we had to do our very best to give to God accordingly to what he has given to us. I'm

telling you this because that was back around 2019, and we can testify that God has provided for all our needs. I'm not saying every month/year was easy financially but we always had enough, God never let us down. All the most important **NEEDS** were taken care of. That's what I think this teaching is really getting at. If we do our part, God will do his, but he will do it to **His Will**, not ours. I think as humans we struggle with that part of it...His Will! If you think by giving God \$100 that you will be getting

\$1,000 back, that's not what he means. We forget about the things we don't see that he takes care of for us, and we might never even know. Maybe by running late one morning he saved you from a car accident. Maybe he prevented your family from getting ill. Maybe something bad happens to you, but we learn from that experience that helps at a future stage of our lives, or maybe we can help a friend with something in their lives from the experience we had. Being a disciple and true believer is giving your whole self to God in every aspect of our lives, no holding back. In the last few months that is what I am really starting to understand (it took 44 years) but I am starting to get it. Its being ok with everything that happens to you in life because you ultimately know God will never fail you, and eternal life is so much more important than earthly life. He may test you, but he will never fail you.

Think of giving to God, like the first time you were able to buy your mom or dad or that special person that raised you, something really nice as an adult. You finally had the means to spend money on them for all that they did for you growing up. God is no different, he gives, and gives, and gives to you in so many ways (weather we see it or know it). Does God not deserve that same respect, is he not greater than the people who raised us. I hope this message inspires you to Pray on this topic and let God work in you to meet His Will, however that maybe.

God is good all the time, and all the time, God is good.

Till next time.

Operation Christmas Child IT'S SHOEBOX TIME!

God is working in and among us for HIS glory! We are now in the season of collection, packing, and collaboration of shoeboxes for Samaritan's Purse Operation Christmas Child. If your heart is led, please plan to pick up shoeboxes for your family and friends on Sunday during worship, during church office hours, or contact the Zingsheim family at 920-539-8807 for delivery.

Every shoebox gift is an excellent resource for evangelism and discipleship, which leads to multiplication of new believers and churches around the world! Everyone is invited to participate ... so, who will you share this **awesome** opportunity with? ***Spread the word!***

Financial donations to help cover expenses & shipping for shoeboxes packed by the Shoebox Project team on Trinity's behalf are needed and appreciated (*cash/check to Trinity MC with 'Shoebox Project' in the note field*). We are on target to pack **450+ shoeboxes** this year! Please reach out if you know of an individual, family or business who may have an interest in participating in this ministry through a larger tax-deductible financial donation. ***Your support is greatly appreciated!***

Trinity Shoebox Project Update

It all starts with a shoebox gift, packed in Jesus's Name and full of love and prayer.

The Red Quarter Containers are back!

Starting with the first Sunday in October, the red cylindrical containers will be available on the Shoebox Project table in the Connections Room. These containers will hold 36 quarters. All financial donations for the Shoebox Project help fund the purchase of shoebox gifts and cover collection, processing, shipping, training, Gospel materials, and other project costs. You can help make this quarter campaign successful by taking home and filling a container or two! For those whose blessings may not allow for a larger financial contribution, this may be a budget friendly option to participate in this awesome ministry.

Thank you for your support!

"Let the little Children come to me, and do not hinder them, for the kingdom of God belongs to such as these." Mark 10:14

Amy Unferth and Heidi Zingsheim, pictured with Linda Feldman the Logistics Coordinator for Fond du Lac and surrounding counties, attended the **Operation Christmas Child Project Leader Workshop** on Saturday, September 20th at the Plymouth Church in Oshkosh. During this workshop time was spent in prayer, encouragement, guidance, and fellowship. It was great to be able to come together for a common goal and be active in what Jesus commanded us to do through the Great Commission, to spread the Gospel to all nations of the world. We continue to be grateful to serve God through this hands-on global outreach opportunity.

The AWESOME power of an Operation Christmas Child Shoebox...

232 million shoeboxes have been distributed into the hands of children in **over 170 counties and territories** since 1993. **23 million children came to Christ** through "The Greatest Journey" Discipleship program last year alone. That is the Gospel of Christ going to the Ends of The Earth. That is what Trinity Shoebox Project is doing through our partnership with the ministry of Operation Christmas Child. **Amazing!**

Discover the Destination of Your Shoebox Gift

Do you ever wonder where your shoebox gifts were sent? If you make your \$10 donation per shoebox online, you can receive a special label and Follow Your Box. As you checkout, a receipt with a unique label will be sent to your email address provided. Print the label and affix to your shoebox. This label will be scanned along the route. Later in the year you can use the Look-up Tool link, provided in the email, to find out the country where your shoebox will be delivered with the message of Christ's love. **How neat is that?!**

www.samaritanspurse.org/operation-christmas-child/follow-your-box/

All shoeboxes sent by Trinity's OCC Ministry Team will include a **Follow Your Box Tracking Label**. We will share with you the destination of the shoeboxes once known.

Gospel Sunday

Trinity's freshly paved parking lot was at maximum capacity on Sunday, September 14th for our second annual Gospel Sunday. My family arrived at our usual time (5 minutes before the start of church), which meant that we got to sit nice and close to the front of the church. Looking around, we saw lots of familiar faces from our congregation, but best of all, we saw many members of the community that do not usually attend our church. The building was buzzing with energy as old and new friends greeted each other with handshakes, waves, and hugs.

Fred Ferguson delighted all in attendance with a variety of familiar tunes, encouraging us to sing along and clap our hands. I couldn't help but notice the smiles on so many faces as he sang some old favorites, and many of the youngest attendees danced in their pews as Fred strummed on his guitar. I hope Fred enjoyed performing for us as much as we enjoyed his performance!

Following the service, everyone got to enjoy a variety of delicious pies provided by our talented church bakers (and if you bought your pie at the store, we appreciate it just as much!). People visited and there were games and activities for children of all ages. A fun time was had by all.

Thank you to all who organized this event. I know that when you plan something like this, there is no job too small, so whether you brought a pie or handed out bulletins, your help made this event special. If you are new to Trinity or just came for a visit, we encourage you to come back again and check out our meaningful weekly services and activities. Children ages 4-6th grade can attend Sunday School during church services, Youth Group gathers right after church, and there are opportunities for bible study, adult Sunday School, and music ministry for adults. We have a beautiful church and a nice new parking lot; but the people are what make Trinity Methodist Church truly special, and we hope you make us part of your family.

We would like to thank everyone who participated in the Mum Sale on Sunday, September 14. It was a "huge" success again this year. Adult Sunday School will begin on November 16, 2025. Classes will run from 7:30-8:25 AM. Pastor Mulongo Mpoyo will lead the class in a study of discipleship.

Did you know that church members can be disciples and disciples can be church members, but being a member does not automatically make a person a disciple of Jesus Christ?

Would you like to be a growing, maturing, disciple of Jesus Christ? Join us and find out what it takes to make that happen.

All church leaders are highly encouraged to attend this study of discipleship. This study is designed to be a practical guide to giving the Trinity Methodist congregation the tools it needs to move toward a deeper and richer experience of what it means to follow Christ together.

There is a book that will be guiding our discussions. The book is titled, "Membership To Discipleship, Growing Mature Disciples Who Make Disciples" by Phil Maynard. The cost of the book is \$10.00.

Sign up sheets will soon be located in the Connections Room.

Confirmation Classes will begin shortly.

For those parents already signed up, please watch for an email from Pastor Mulongo detailing an upcoming Confirmation Meeting.

If you haven't already signed up, please contact the office. 920-269-4411

Praise the Lord for all those

who have given to the "Praise Band" fund as **we have been able to improve some of the church sound system.** We're not done updating our equipment yet, so please consider making a donation. This donation is considered to be above and beyond your normal contribution.

Want to help offset the cost of our recent tower or parking lot projects? Why not make a donation to that cause by simply writing a check payable to TMC and noting "tower" or "parking lot" in the memo section. That will ensure the funds are applied appropriately.

Thank you in advance for your generosity.
